LOOKING AHEAD

We are thankful for the Churches we have been able to visit during the past months and share about our church planting ministry in Madrid through four key words...**Learn, Love, Link, Launch**. As our family prepares to return to Madrid on March 1st, please pray for us as we learn how to **Link** the gospel message through ministries in the midst of the corona virus pandemic. Please also pray that God will continue to open up the doors to **Launch** the church planting ministry by providing the people and a building to begin a Church.

Our vision is to plant a missional and multicultural Church among the young professionals families in Madrid.

FURLOUGH 2020

Our church planting ministry relies heavily on year-end donations to meet our annual budget and start 2021 strong. December is our largest month for financial giving, with your generous gifts, you can help reach our year-end goal of finishing 100% of what it takes to sustain our family and ministry in Madrid, Spain. You play a big role in helping our church planting ministry and we are very thankful to have this opportunity to serve God's worldwide mission together. You can give your end-year-gift towards our ministry by sending a check to World Witness, please write "Bonillas year-end-gift" in the memo line, or you can also give online by visiting our ministry website www.GodLovesSpain.com
