BONILLA FAMILY

2022

A NEW SEASON

We have called Spain our home for the last seven years, and as a family we have grown more and more in our love for the people of this beautiful country. We thank you for your partnership with our family in planting a congregation in the very needy gospel city of Madrid. Together we have laid the foundation of our Church planting ministry through several strategies, such as: lifestyle and street evangelism, discipleship, children and mom's ministry, children's music ministry, English camps, Bible studies with adults, weekly Bible club with girls, and different outreach events. What is next? We sense God's Spirit is stirring us into a new season of hope, so as we enter this new season of ministry please pray for the following three prayer requests:

1. PEOPLE
for new families to be part
of our new congregation.

2. PLACE

for a new place where we can meet outside of our house.

3. PARTNERS

for more partners in the ministry.

MINISTRY 2021

Our church planting ministry relies heavily on year-end donations to meet our annual budget and start 2022 strong. December is our largest month for financial giving, with your generous gifts, you can help reach our year-end goal of finishing 100% of what it takes to sustain our family and ministry in Madrid, Spain. You play a big role in helping our church planting ministry and we are very thankful to have this opportunity to serve God's worldwide mission together. You can give your end-year-gift towards our ministry by sending a check to World Witness, please write "Bonillas year-end-gift" in the memo line, or you can also give online by visiting our ministry website www.GodLovesSpain.com

Last year 2020 was our first furlough outside of Spain. Upon our return to Madrid back in March of this year, **God had already begun laying the foundation** of our weekly Bible studies.

OUR VISION

is to plant a **missional** and **multicultural** led congregation among young professionals in Madrid

"Do not be afraid; keep on speaking, do not be silent. For I am with you, and no one is going to attack and harm you, **because I have many people in this city.**"
Acts 18:9-10

First, we started meeting in an open area due to the COVID-19 restrictions, but as soon as the restrictions were lifted, **we continued meeting in our living room.**

WEEKLY BIBLE STUDIES

One of the highlights of our Church planting ministry and of our weekly Bible studies is that in September of this year I baptized our first core team member. **So what is next in our Church Planting ministry here in Madrid?**

CHURCH PLANTING CORE TEAM

PRAY FOR A NEW PLACE OUTSIDE OF OUR HOUSE

2022

Please pray for the following three goals in the coming months: Number one, **pray for more families to join our core team and future congregation.** Number two, **pray that God will provide a new place outside of our house** where we can continue our weekly meetings. Finally, **our third goal is to move to this new place in the beginning of 2022.**

Thank you so much for your partnership!
