Vacation Bible School!

We praise God for an amazing Vacation Bible School in our church building this summer!

It was a huge blessing for our church to welcome a team from First ARP Rock Hill to Madrid in July! Several of the team members had come in the past to minister with us in Madrid in leading English camps. Now, this was their first time to lead a VBS in Madrid where we all had fun with the kids, but also shared the wonderful news of God's love! We praise God for the church children that attended, but also two new families who had never been to church before. VBS began on Sunday morning, as a way to get the parents to come to church. We are so thankful that the following Sunday one of the families returned to church. Please continue praying for the children who learned so much about the Bible and that they will daily grow in their faith. Please also pray for the parents, especially those who came

to church for the first time. Pray that they will continue coming to church and that God will work in their hearts.

When we moved to Madrid eight years ago we meet Eduardo, a Spaniard with whom we developed a friendship. We also met his wife a few times and then never saw them again. Fast forward eight years when a few months ago Ruth entered our dental office with a mask on and the new dental hygienist recognized Ruth. God works in big ways, because it ended up being the wife of Eduardo who was now working at our dental office. Ruth invited her to our new church and they have participated in several events and brought their children to VBS. Irene, pictured on the front, has been very moved by everything she has learned at church, so please pray against distractions so that their family can continue to come.

Thank you for your faithful prayers & support!

“Rey de Reyes” Presbyterian Church

We give God all the praise for the way His church in Madrid is growing and for the members of the core team who weekly help us with set-up, music, greeting, serving coffee, cleaning, and many other responsibilities. Please pray as we will lead a retreat for our core team this fall and that the team will be encouraged by God’s Word. In October, the location where we meet has asked us to change our worship service time. Please pray that this new time will allow more people to come to our church.

FALL PRAYER REQUESTS

- **School for our girls** - pray that this school year they will grow spiritually and academically.
- **Rey de Reyes (“King of Kings”) Church** - pray that God will bring 10 new families to our church this year.
- **Ministry preparations** - pray that God will guide us and give us wisdom this fall as we daily serve in our church and develop new and creative strategies for our church to grow both numerically and spiritually.
